

# PARVA Series

## Features

- Continuous regulation of welding current
- Overload protection

## Características

- Regulación continua corriente de soldadura
- Protección termostática

## Gerätekenneiwerte

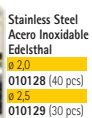

- Stufenlose Stromeinstellung
- Thermoschutz

Supplied without accessories  
Equipo sin accesorios  
Ausstattung: ohne Zubehör

## Usable electrodes - Electrodo utilizables - Elektroden

PARVA 175E  
KIT MMA

PARVA 175E  
Kit Wheels KW 2

Optional

PARVA 165E

Supplied with - Dotación  
Ausstattung
